

Series of fan and accessory cables and adaptors enable to users easily convert their connectors to desired ones, extend the length or multiply the connectors needed.

### PC-AFSC4 Noise Reduction cable

Reduce voltage to 7V on 3-pin. For fans that can't start at 5V power.

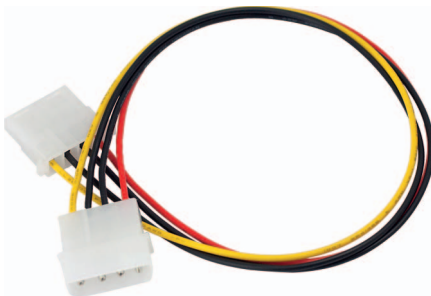

Connectors	Molex (male) – Molex (female) – 3-pin (male)
Length	30 cm
Shipping details	500 pcs/carton
Shipping weight	11.5 kg/carton

### PC-EC1 Extension cable

Extends the cable with 3-pin connector.

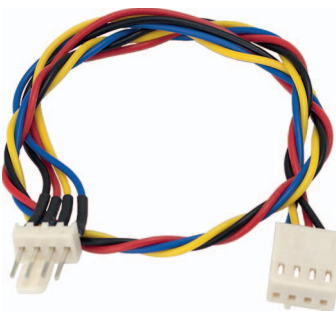

Connectors	3-pin (male) – 3-pin (female)
Length	30 cm
Shipping details	1000 pcs/carton
Shipping weight	8 kg/carton

### PC-EC2 Extension cable

Extends the cable with Molex connector.

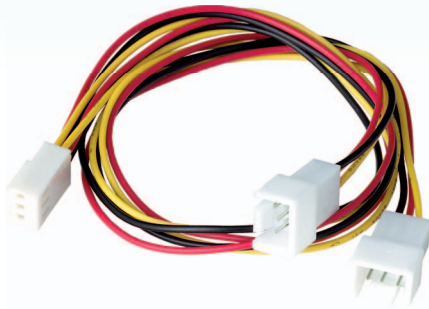

Connectors	Molex (male) – Molex (female)
Length	30 cm
Shipping details	510 pcs/carton
Shipping weight	10.3 kg/carton

### PC-EC3 Extension cable

Extends the cable with 4-pin PWM connector.

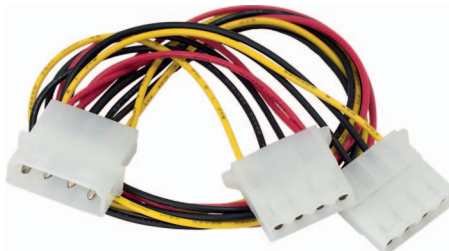

Connectors	PWM 4-pin (male) – PWM 4-pin (female)
Length	30 cm
Shipping details	100 pcs/carton
Shipping weight	8.6 kg/carton

### PC-MC1 Multiconnector cable

Enables to connect 2 devices to one connector.

Connectors	3-pin (female) – 2 × 3-pin (male)
Length	30 cm
Shipping details	1000 pcs/carton
Shipping weight	13.5 kg/carton

### PC-MC2 Multiconnector cable

Enables to connect one more device with 4-pin Molex connector.

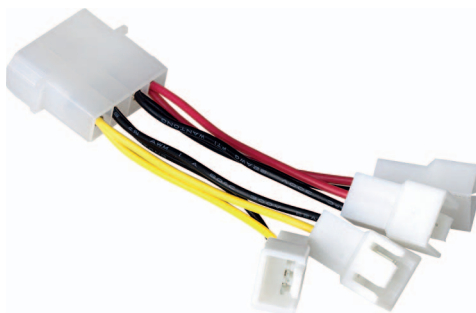

Connectors	Molex (male) – 2 × Molex (female)
Length	30 cm
Shipping details	500 pcs/carton
Shipping weight	12 kg/carton

### PC-MC3 Multiconnector cable

Enables to connect 2 PWM fans to one connector.

Connectors	PWM 4-pin (female) – 2 × PWM 4-pin (male)
Length	30 cm
Shipping details	500 pcs/carton
Shipping weight	8.2 kg/carton

### PC-MX1 Multiconnector cable

Makes from one Molex connector two four 3-pin connectors with 5V or 12V.

Connectors	Molex (male) – 2 × 3-pin 5V (male) – 2 × 3-pin 12V (male)
Length	Length 9 cm
Shipping details	Shipping details 640 pcs/carton
Shipping weight	Shipping weight 7.4 kg/carton
